ABOUT HILLMAN FERRY CAMPGROUND. . .
Hillman Ferry Campground offers 378 well-defined sites capable of handling a variety of camping from tents to large motor homes. Basic, electric, water, and sewer sites are available. In the spring and fall, water at sites will not be available due to colder temperatures (water will be available at designated hydrants). Campers have access to modern facilities, including a large swimming area, archery range, ball field, bike trails, campfire amphitheater, hiking trails, two boat ramps, picnic tables, and fire rings. During the summer season we offer recreation programs for all ages. Hillman Ferry Outpost offers camping supplies and rental services.
